The major part of the transport network is served by low-floor vehicles. Metro line M4 is fully accessible. Plan your barrier-free journey with the BKK FUTÁR app.

The front-door boarding only policy applies on most bus lines. Show your validated ticket, your valid pass or travel ID to the driver.

On most vehicles, signal your wish to disembark well in advance by pushing the button near the door. Please use the rear doors to exit.

Please do not approach the platform edge at metro stations until the passengers from the arriving train have exited.

Small pets and dogs in a carry-box travel free. Otherwise, leashed dogs require a muzzle and an extra ticket or pass.

You may carry a bike with you on designated bus and tram lines as well as on the suburban and cogwheel railways and boat lines. The bike requires a ticket. Please check **bkk.hu** for details.
